

## Tell us about yourself

19. Age: \_\_\_\_\_ years old

20. Education level:

- 8<sup>th</sup> grade or less
- Some high school
- Graduated high school or GED
- Some college or technical school
- Graduated from college
- Postgraduate school or degree

## Video Feedback

21. How would you rate the length of the video?

- Should be much shorter
- Should be a little shorter
- About right
- Could be a little longer
- Could be much longer

22. How balanced was the video's information about mastectomy versus lumpectomy with radiation for early stage breast cancer?

- Clearly slanted towards mastectomy
- A little slanted towards mastectomy
- Completely balanced
- A little slanted towards lumpectomy with radiation
- Clearly slanted towards lumpectomy with radiation

23. Overall, how would you rate the video?

- Poor
- Fair
- Good
- Very good
- Excellent

## EARLY STAGE BREAST CANCER – CHOOSING YOUR SURGERY:

### Personal Decision Form

There are several different ways to treat early stage breast cancer. Each has possible benefits and risks. This form and video, together with your healthcare team, will help you make the decision that is best for you.

Please return this form with the video.

Your answers will tell us three important things:

Knowledge	
	How well we are doing our job of giving you information?
Values	
	What matters most to you?
Making Choices	
	How far along you are in decision making and what else you may need?

### BEFORE WATCHING THE VIDEO, PLEASE ANSWER QUESTION 1 – 2

1. Have you talked with a healthcare provider about this decision?
  - Yes
  - No
2. At this time, which treatment option are you leaning toward?
  - Lumpectomy with radiation
  - Mastectomy
  - Unsure

### NOW, PLEASE WATCH THE VIDEO

## Knowledge

**AFTER WATCHING THE VIDEO,**  
**please check  one answer for each question.**

3. On average, which patients with early stage breast cancer live longer?
- Those who have a mastectomy live longer
  - Those who have a lumpectomy and radiation live longer
  - There is no difference
  - I am not sure
4. On average, how do the chances of having cancer come back in the breast or breast area compare between lumpectomy with radiation and mastectomy?
- Much lower after lumpectomy with radiation
  - Slightly lower after lumpectomy with radiation
  - Both are the same
  - Slightly higher after lumpectomy with radiation
  - Much higher after lumpectomy with radiation
  - I am not sure
5. If 100 women are treated with lumpectomy and radiation for early stage breast cancer, about how many will have breast cancer come back in the treated breast in the 10 years after treatment?
- Fewer than 5
  - 5-15
  - 16-25
  - 26-35
  - More than 35
  - I am not sure
6. For most women with early stage breast cancer, how much would waiting 4 weeks to make a treatment decision affect their chances of survival?
- A lot
  - Somewhat
  - A little or not at all
  - I am not sure

## Values

**On a scale from 1 to 10, where**  
**1 is not at all important and 10 is very important:**

- |   | Not at all<br>important | Very<br>important |
|---|-------------------------|-------------------|
| 8. keep your breast?  | 1 2 3 4 5 6 7 8 9 10    |                   |
| 9. minimize the chance of cancer coming back in the breast or breast area?                          | 1 2 3 4 5 6 7 8 9 10    |                   |
| 10. avoid radiation?  | 1 2 3 4 5 6 7 8 9 10    |                   |
| 11. remove your whole breast?   | 1 2 3 4 5 6 7 8 9 10    |                   |
| 12. Are there any other values that are important for you for this decision? Please list them here: |                         |                   |

## Making Choices

13. At this time, which treatment option are you leaning toward?
- Lumpectomy with radiation
  - Mastectomy
  - Unsure
- |  | Yes                      | No                       |
|--|--------------------------|--------------------------|
| 14. Do you feel sure about the best choice for you?            | <input type="checkbox"/> | <input type="checkbox"/> |
| 15. Do you know the benefits and risks of each option?         | <input type="checkbox"/> | <input type="checkbox"/> |
| 16. Are you clear which benefits and risks matter most to you? | <input type="checkbox"/> | <input type="checkbox"/> |
| 17. Do you have enough support and advice to make a choice?    | <input type="checkbox"/> | <input type="checkbox"/> |
18. What do you plan to do next?
- Get the treatment I chose
  - Get more information
  - Talk now with a member of my health care team
  - At my next visit, talk with my health care provider
  - Other \_\_\_\_\_
