

LIVING WITH HEART FAILURE:

Personal Decision Form

There are several different ways to manage living with heart failure. Each has possible benefits and risks. This form and video, together with your healthcare team, will help you make the decision that is best for you.

Please return this form with the video.

Your answers will tell us three important things:

Knowledge	
	How well we are doing our job of giving you information?
Values	
	What matters most to you?
Making Choices	
	How far along you are in decision making and what else you may need?

BEFORE WATCHING THE VIDEO, PLEASE ANSWER QUESTION 1 – 2
