EARLY STAGE BREAST CANCER - BREAST RECONSTRUCTION:
Personal Decision Form

The decision to have breast reconstruction after mastectomy is personal. Each approach has possible benefits and risks. This form and video, together with your healthcare team, will help you make the decision that is best for you.

Please return this form with the video.
Your answers will tell us three important things:

<table>
<thead>
<tr>
<th>Knowledge</th>
<th>Values</th>
<th>Making Choices</th>
</tr>
</thead>
<tbody>
<tr>
<td>How well we are doing our job of giving you information?</td>
<td>What matters most to you?</td>
<td>How far along you are in decision making and what else you may need?</td>
</tr>
</tbody>
</table>
